

# Men & Women of Character's SHARING OUR RUBY PROJECT

Our beloved co-founder Chaneta Ruby Leonard was an awesome individual who was dedicated to helping others in the Metropolitan Trenton community. Chaneta made it her life's work to be an unassuming advocate for all causes she believed in. After graduating high school, she was a dedicated childcare provider who taught art to preschool-aged children which was her passion.

On Sunday, November 14, 2021, our lives changed forever when Chaneta died suddenly and left a void in our hearts, homes, and organization.

Chaneta's bubbly personality, love, and dedication to all those she encountered were sincere and unmatched. To say it was a privilege to know and spend time with her and to put pen to paper and create what has become Men & Women of Character Organization is an understatement. Chaneta made a lasting impact on the lives of those around her and we are going to celebrate her with this project.

Chaneta was very enthusiastic about the creation of our youth groups, B.O.L.D. (Boys Organized for Leadership and Dignity) and G.L.O.W. (Girls Leading Our World) and was instrumental in developing programs and workshops dedicated to each group.

Men & Women of Character Org.'s Sharing Our Ruby project will include, but not be limited to the following projects:

**Neat Creativity Crates:** In celebration of her birthday, on January 7<sup>th</sup>, seven crates full of arts and craft supplies will be awarded to local childcare centers and/or in-home childcare programs that do not receive government funding annually.

**The Chaneta Ruby Leonard Memorial Scholarship:** 4 scholarships will be awarded annually to high school graduates in the metropolitan Trenton area pursuing the following degrees:

-  **Art Education Scholarship:** Chaneta had a great love for the arts and could often be found painting, drawing, and even coloring. She created murals for several homes and daycares.
-  **Business Scholarship:** As an entrepreneur, Chaneta had an interior design, event planning, catering, and in-home daycare business.
-  **Early Childhood Education Scholarship:** Chaneta's first love and job was as a childcare assistant at a daycare in Lawrence Township. This led to many years of service in this field.
-  **Social Service Scholarship:** Chaneta also had a great love for those with special needs and worked as a Direct Support Specialist for local group homes.

When our board members were asked to submit a bio, Chaneta's Bio for MWCORG read: **A Childcare provider with more than 30 years working with children. Chaneta feels that being a part of Men & Women of Character would ensure that she stays actively involved in guiding and encouraging creativity and growth in children.**

*January 7, 1970 - November 14, 2021*

*Some Days*

*They tell me life's a journey  
That will take me many years  
Some days are filled with laughter  
And some days are filled with tears*

*Some days I think my heart will break  
That I can't persevere  
Some days I have to don a mask  
And hide neath its veneer*

*Some days I turn and look for you  
With thoughts I'd like to share  
Some days I just can't understand  
The reason you're not there*

*Some days the sadness leaves me  
And my smile will reappear  
Some days I close my eyes because  
Your memory is so clear*

*Some days I struggle to go on  
Just wishing you were near  
Most days I spend in gratitude  
That you were ever here*
